OCILB issues licenses to qualified electrical, Heating Ventilating and Air Conditioning (HVAC), plumbing, hydronics and refrigeration contractors who successfully pass a licensing examination. The Board sections review applicants before they are approved to take the test for a particular trade. The Board sections also issue disciplinary actions as well as review late renewals and continuing education courses.

The Ohio Real Estate Commission reviews hearing examiner reports and settlement agreements each month regarding alleged real estate license law violations and considers licensee appeals on licensure issues. If a licensee is found to have violated licensing law, the Commission can revoke or suspend a license, assess a fine, order additional continuing education, or issue a public reprimand.

###

The Ohio Department of Commerce is the state's chief regulatory agency, focused on promoting prosperity and protecting what matters most to Ohioans. We ensure businesses follow the laws that help them create jobs and keep Ohioans safe. To learn more about what we do, visit our website at [com.ohio.gov](http://com.ohio.gov)
