OCILB issues licenses to qualified electrical, Heating Ventilating and Air Conditioning (HVAC), plumbing, hydronics and refrigeration contractors who successfully pass a licensing examination. The Board sections review applicants before they are approved to take the test for a particular trade. The Board sections also issue disciplinary actions as well as review late renewals and continuing education courses.

The Board of Building Standards Code Committee will meet in a Special Meeting on Thursday, April 22 at 1:00 pm via videoconference to review the 2020 National Electrical Code and the 2021 International Building Code.

The Code Committee reviews petitions for building code changes and makes recommendations to the Board of Building Standards.

Please contact Regina Hanshaw at rhanshaw@com.state.oh.us for directions for the public to access and participate in Board of Building Standards meetings.
