**Ohio Division of Securities Issues Summary of
Division Orders for April 2021**

(COLUMBUS, Ohio) — The following administrative orders represent official action taken by the Ohio Division of Securities from April 1-30, 2021.

Orders are issued as either a Notice of Opportunity for Hearing (NOH) or as a final order. The NOH details allegations by the Division for violations of the Ohio Securities Act and gives the respondent notice of the right to an administrative hearing. NOHs are public records, but do not represent the final determination in a pending matter.

Final orders contain findings by the Division and represent the final disposition of a matter pending before the Division. All final orders of the Division contain appeal rights to common pleas courts within a specific time.

Details of any Division order can be found at:
