The Ohio Construction Industry Licensing Board (OCILB) HVAC Section will meet at 10 a.m. on Wednesday, Aug. 21 at the Division of Industrial Compliance, 6606 Tussing Road, OCILB Conference Room, Reynoldsburg.

OCILB issues licenses to qualified electrical, Heating Ventilating and Air Conditioning (HVAC), plumbing, hydronics and refrigeration contractors who successfully pass a licensing examination. The Board sections review applicants before they are approved to take the test for a particular trade. The Board sections also issue disciplinary actions as well as review late renewals and continuing education courses.

The Ohio Home Inspection Board will meet at 9:30 a.m. on Thursday, Aug. 22 at the Division of Real Estate & Professional Licensing, 77 S. High St., 22nd Floor, Columbus. The board will continue the adoption of the rules for the program.

The Ohio Home Inspector Board reviews orders and application determinations and hears appeals from orders regarding claims brought against the home inspection recovery fund. If a licensee is found to have violated licensing law, the Board may order disciplinary action which could include suspending or revoking a license, accepting surrender of the license in lieu of discipline, issuing a reprimand, assessing a fine or ordering additional continuing education.
